2019 Moonbeam Children's Book Awards

November 9, 2019 — Traverse City, MI

Presented by Jenkins Group and IndependentPublisher.com in conjunction with the Traverse City Children's Book Festival

Welcome to the 2019 Moonbeam Children's Book Awards!

Established in 2007, the Moonbeam Awards are designed to bring increased recognition to exemplary children's books and their creators, and help these special books get the attention of booksellers, librarians, parents, and young readers.

We all know about the importance of early childhood literacy, but what does it take to inspire a new generation of readers? It takes children falling in love with books—and it's up to us as parents, teachers, and publishers to make sure our kids do fall in love—by surrounding them with great books and helping them begin a lifelong love affair with reading.

The annual Moonbeam Children's Book Awards contest has this philosophy of "book love" at its core, and Jenkins Group is proud to announce this year's 156 medal-winners. We congratulate the authors, illustrators and publishers from 38 U.S. states, 5 Canadian provinces, and five countries overseas for their dedication to inspiring young people.

The Moonbeam Awards honor those who create the books that help kids fall in love with reading, and start them on a path of life-long reading enjoyment.

Congratulations to all the 2019 Moonbeam Award winners!
